A. Coach is notified. 'Injury' also flags the player profile.

2. Reason for absence

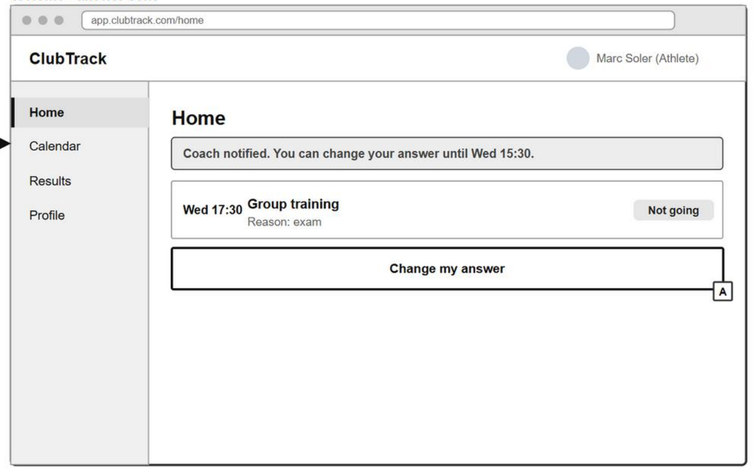

1. Reason is required: Send to coach does not work without it.

Click 'Send to coach'

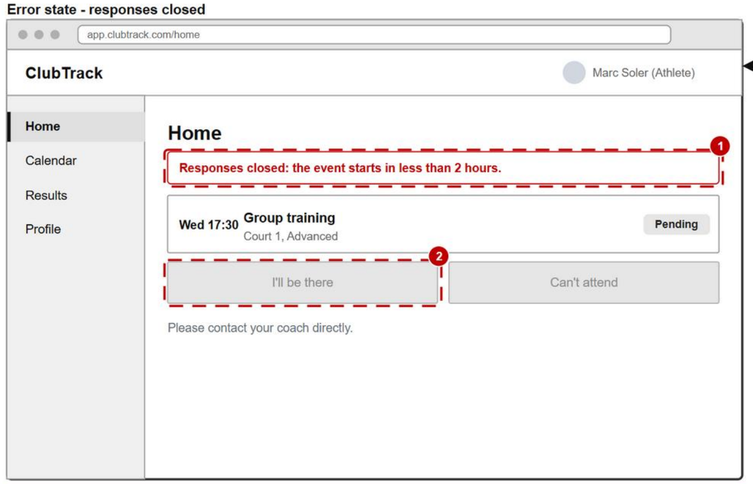

A. Shows the two answer buttons again until the deadline.

3. Home - answer sent

Under 2 h left

Error state - responses closed

1. Rule explained in a banner.

2. Buttons are greyed out, not hidden, so the user sees why.

STORY 07 | ATHLETE | MOBILE (smartphone view)

Confirm or decline attendance to an event

"As an athlete, I want to confirm or decline my attendance to the next training so my coach knows who will be there."

→ Navigation (the click / tap that triggers it)

1 Error (red outline + number)

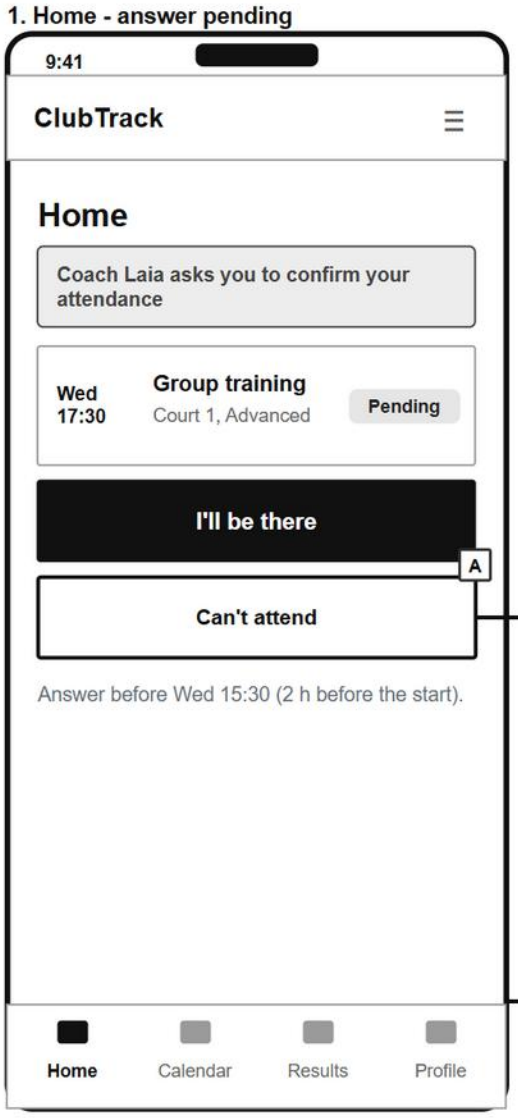

A Note / business rule (letter)

A. 'I'll be there' is the big button and saves at once.

A. Coach is notified. 'Injury' also flags the player profile.

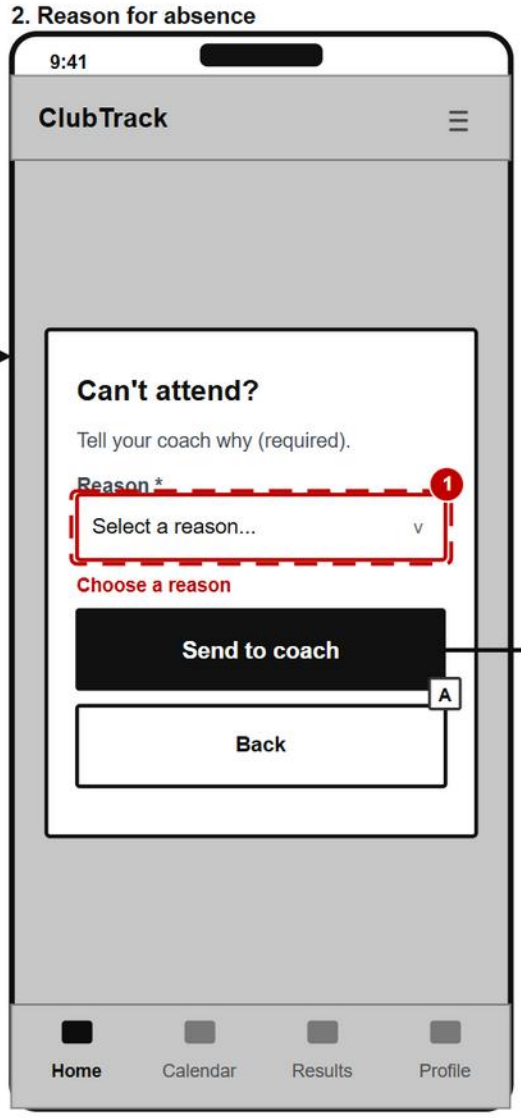

A. Shows the two answer buttons again until the deadline.

1. Home - answer pending

Tap 'Can't attend'

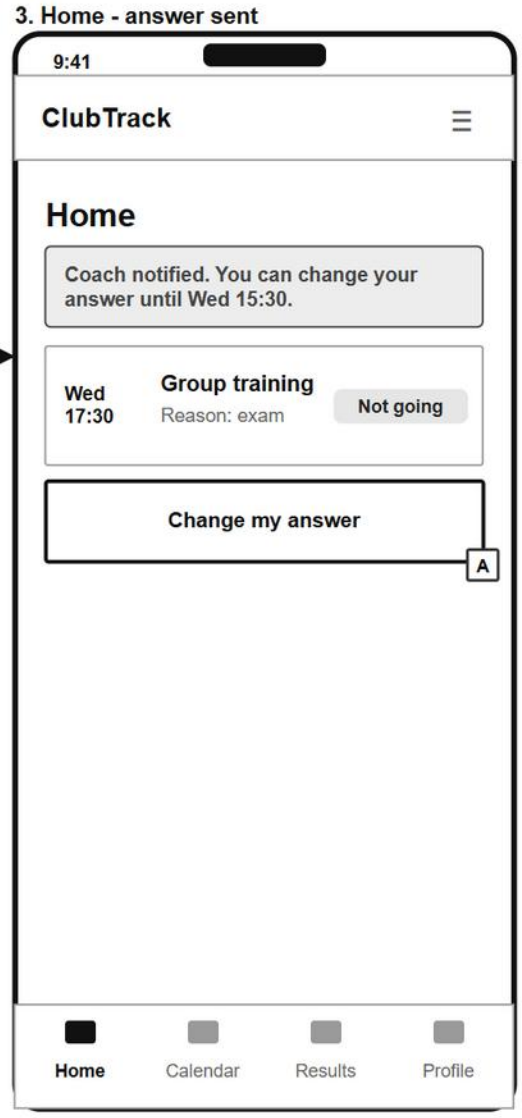

2. Reason for absence

1. Reason is required: Send to coach does not work without it.

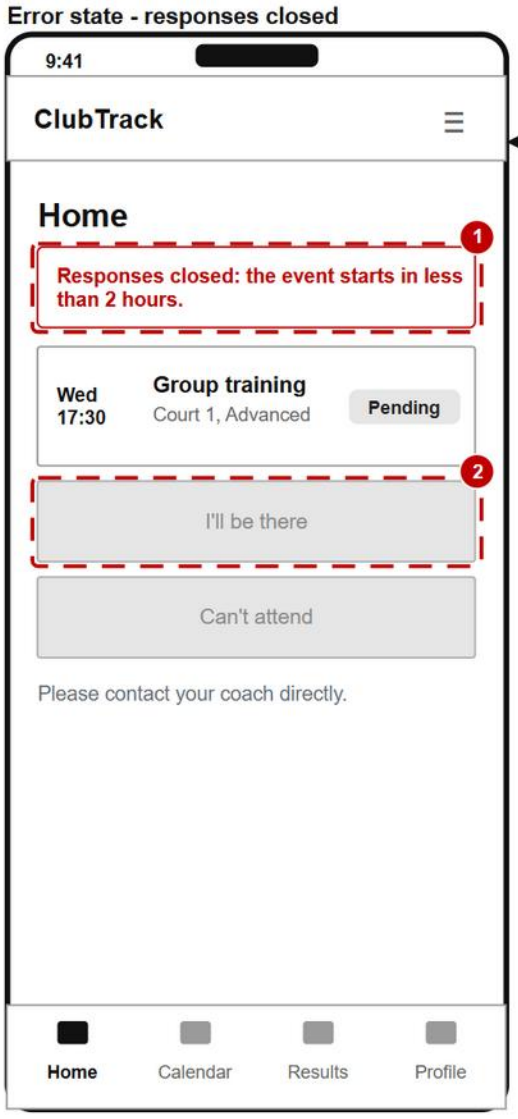

Tap 'Send to coach'

3. Home - answer sent

Under 2 h left

Error state - responses closed
